

22nd ANNUAL ST. LOUIS COUGAR BASKETBALL TOURNAMENT

4th, 5th and 6th Grade Boys and Girls Tournament Dates:

Boys – January 25-26, 2019

Girls – February 1-2, 2019

4th, 5th and 6th Grade Open Division Tiebreaker

In the event that two teams are tied:

The tiebreaker will be head-to-head results with the winning team advancing.

In the event that three teams are tied:

The 1st tiebreaker will be Total Point Differential (including the losses) with a maximum of 15 points (this means a victory margin of 15 or more points will count 15 in the tiebreaker). The two teams with the highest point total will advance.

If after the 1st tiebreaker two teams are still tied for 2nd place, the head-to-head tiebreaker will be used with the winning team advancing.

In the event that three teams are still tied after the 1st tiebreaker, then a coin flip will be used to select the 1st place team. Each team will flip a coin and the odd-man will be the 1st place team.

The 2nd place team will be determined with the head-to-head tiebreaker and the winning team will advance.
